

REFRESH, RECHARGE, REFOCUS FOR FALL

Come to camp and refresh with relaxation, fellowship, and play! Scheduled program time, as well as free time, provides families and friends the opportunity to enjoy the last weekend of the summer on the shores of Lake Koronis. As adults gather and focus on a topic, youth, teen, and toddler groups have their own program activities with leaders.

Evenings, we take time for informal worship around the campfire. The nights continue with singing, dancing, BINGO, games, and the annual skit night.
