

Red Rock Camp 2021

Since 1868

Re-Engage!

Red Rock Camp is back on this summer, and God is on the move! We're going to gather safely, but we're not staying home. That's because God is calling us, as our theme this year proclaims, to move out and "Engage Communities!"

Check out the exciting lineup of speakers and activities that will rekindle your spiritual fire and ignite your creative outreach with the hope of Jesus (redrockcamp.org). Plans are underway to be in direct ministry in nearby Paynesville during our camp week as well!

Speaking of creative, we're moving camp week to **Monday through Sunday** to make it possible for spiritual "weekend warriors" to join in. Also new is the cafeteria, renovated since we last met due to a fire. The new Tabernacle will be under construction during camp week, serving as a visual reminder that we come to camp asking God to reconstruct us, from the inside out. We each seek to be God's "Tabernacle."

We may have missed camp in 2020, but this year promises to be twenty-one-derful. It's time to re-Engage! Register for camp today!
