

Dear Family Campers,

As you read this letter, you may have already started to hope and dream about making actual plans this summer, especially since we've all been cooped up for the past year! Summer is just around the corner!

It's that time to register for Family Camp and Northern Pines. A place we go to relax, enjoy each other's company, enjoy family and friends, to hear the sounds of nature, the laughs of children playing, finding fish in Fish Hook Lake, going on nature hikes, building campfires, making memories, and a place to become closer to God.

Registration for Family Camp 1 is now open. The dates are **July 4th – July 10th**. Just a reminder, cabin assignments are on a first come first request basis so if your family has a favorite cabin, now's the time to send in your registration!
