TEEN SPECIALTY WEEK-ARCHERY #112 JULY 24-29

## I'm coming to camp! Now What?

**Camper's:** Welcome! You are officially registered for **Teen Specialty Week - Archery** at Camp Koronis during the week of **July 24-29**. We are so glad you decided to come to this exciting week just for teens!

With later nights, sleep-in mornings, more free-time, and epic group games, we know you'll love it! Plus, each morning during your week at camp, you'll spend about 3-hours honing your skills as an archer, including spending time on our 3D archery course in the forest. During the rest of the time, you'll join the other Specialty Week campers swimming & boating on the

lake, cooking-out over the campfire, hanging out with new friends, enjoying group games, and growing in your relationship with God!

### Hone your skills at the camp's archery range

**IMPORTANT: Specific guidance around COVID-19 protocols at camp, if necessary, will be provided prior to the start of your event. Please watch your email for messages from the camping office.**

**Parents:** Our goal is to provide a camp experience that is imaginative, adventurous, and safe for every camper.
