Sunday afternoon, September 18 – Friday noon, September 23, 2022.

**This letter confirms your registration for 2022 “Time Apart” camp.** We are excited to be sharing the adventure, the “time apart,” and the fellowship with friends old and new with you, amid the beauty of the Northwoods fall splendor.

You will find a Camp Health Form, Release of Liability, and Medication Form in your camp materials, and these need to be brought with you to camp on 9/18/22. (If you misplace them, they can be downloaded from the camp website.)

We are looking forward to spending time enjoying fall’s colorful beauty, experiencing a time of inspiration, of relaxation and enjoying new and renewed friendships, following the current pandemic guidelines.

## **Where is Northern Pines and what happens when we arrive at camp?**

**Directions to Northern Pines:** From the intersection of Hwy #71 & #34 in downtown Park Rapids, turn east on #34, and then left on Hwy 1. There is a traffic light at the intersection. (If you are coming on #34 from the east, Hwy 1 is at the second traffic light. Continue on Hwy #1

for about 2 miles, to the sign for Northern Pines on your left. (There is a golf course across the road.) Follow the camp lane to the Lodge (2 story building on your left.) Registration (from 3-5 p.m.) will be inside the Lodge. You will turn in your required forms (health, liability, meds); get your room assignments and an information packet....and then have time to explore, unpack, or relax with a cup of coffee/tea. We will meet for supper at 6 at the Red Pine Dining room.

## Camp Schedule for 2022

A detailed camp schedule will be in your information packets that you will pick up when you arrive at camp.

Each morning at camp, (Monday-Thursday), we will begin our day with a continental breakfast on your schedule served from the Lodge kitchen, including fruits, cereals, breads, egg, etc.

The group will gather in the lower level of Red Pine for morning worship, followed by a time of study and discussion, using the book by Tom Berlin, "Reckless Love".

At noon, lunch will be served in the Red Pine dining room (upper level) or, weather permitting, there may be a picnic or cookout at the campfire on the camp grounds.

**Afternoon activities** will be a combination of planned activities and chances to pursue your own interests. You may wish to take part in a craft, go for a walk, explore the new addition of land acquired by Northern Pines, go canoeing or kayaking, take a pontoon ride on Fish Hook Lake, play a round of golf, bike or hike the Heartland Trail, read a book, take a nap – it's your choice. Weather permitting, we may plan a trip to Itasca State Park, with a bag lunch and maybe a cruise on the park tour boat. And sometime during the week, we will have an opportunity to see what books "Beagle and Wolf" are suggesting for winter reads. (What "off-campus" activities we can safely take part in, and are available, will depend on the pandemic situation for September, and we will try to get more information to you in late summer.)

Supper is usually at 6 p.m. and in the Red Pine Dining room. Depending on the "pandemic situation", we hope to be able to have dinner out one evening, possibly at one of Dorset's eateries. On Thursday evening, we will be treated to a "Candlelight Dinner" followed by entertainment.

Evenings are dedicated to informal group games, and fellowship.

### Camp Discussion and Study: "Reckless Love"

How did Jesus teach the Greatest Commandment to his disciples?

In his latest book *Reckless Love*, author and Pastor Tom Berlin writes that Jesus taught them to love neighbor first as a way to more deeply love God.

In his exploration of Jesus' teaching and travels with his disciples, Berlin suggests that Jesus teaches us how to love God with heart, soul, mind, and strength by showing us how to love our neighbor. While many hope to learn to be better family, friends, leaders, and neighbors by finding a deeper relationship with God, what if becoming a better neighbor leads you to that deeper love of God?

Books are available at Cokesbury, and other bookstores. You will receive a study guide in late summer.

## Camp accommodations:

Housing for “Time Apart” camp will be on the second floor of the Lodge, and if more beds are needed, New Wesley and Cornerstone will be used. The bedrooms contain both regular beds and bunk beds – we will only be using the lower beds. Each bedroom has an adjoining bathroom with a walk-in shower. You may either bring your own bedding (sheets, blanket, pillow), or rent bedding/towels, (including sheets, blanket, quilt, pillow & case, towel and Washcloth) for \$7.50. Contact Leslie at 218-732-4713 to reserve bedding.

If you would prefer to not carry suitcases, etc. up a flight of stairs, you can park behind the Lodge, and that entrance is at second floor level.

The lower/ground floor level of the Lodge contains a multipurpose lounge area with seating facing a fireplace, as well as tables and chairs. There is a large kitchen where our continental breakfast will be available and there is a game room with ping pong, foosball, etc. In the kitchen, there is a second refrigerator for camper’s use and a table for shared snacks.

## Covid-19 implications and policies:

We discovered in September of 2020, that we could hold a very comfortable camp during the middle of the pandemic and following distancing/masking practices. Hopefully, by September of 2022, we will be able to meet with less restrictions. By then, we should all have been able to have received our vaccinations, and the state/conference will relax pandemic rules. We will know more what awaits us as September nears.

## Later this summer.....

Later this summer, you will receive e-mails (or mail) with up-dated information about camp, a tentative daily schedule, and possible afternoon and evening activities that will be available for your choice. Also, you will get a “study guide” for the study book, to help you prepare.

## **A note of welcome from your deans:**

*A warm welcome to each of you, whether a new camper, or an “old timer”. It will be good to get to know each of you and to catch up on your lives. It is our hope, during the week, that you will find some time to relax, find moments of inspiration, enjoy God’s beauty of creation and the beauty of fall in the Northwoods. There will be times of inspiration and new understanding as we study and discuss “Reckless Love” and find applications for our daily walk with God. Our schedule for the week has allowed time to explore the beauty, history, and opportunities found in the surrounding area. And, we will have time to relax, to enjoy “time apart” to laugh, learn and escape the “news of the outside world”...and return home with a new lease on life. Look forward to seeing you soon.*

*Like some of you, this will be my first year at the Northwoods Time Apart retreat – though I’m a big fan of the Northern Pines camp. I’m looking forward to getting to know each of you, sharing in worship, study, and meals with you, and finding refreshment and relaxation under the pines. Feel free to reach out before we gather to say hi or if you have questions.*
