

HELLO 2019 Family Campers!

It won't be long and we'll be in the pines, enjoying the sunsets, swimming in Fish Hook Lake, making new friends, and connecting with old ones. At Northern Pines we can relax, enjoy our family, and each other's company while cherishing God's creation.

The following information will answer some questions you may have about check-in time, what to bring to camp, volunteer information, emergency contact information, and lodging arrangements. Also attached are links to adult and youth health forms to be printed and filled out for each member of your family and turned in on arrival at camp. (See camp website for all relevant links.)

Check In

Check in time is 3:00pm on Sunday, June 30, 2019. We will welcome you in the lower level of the Red Pine Center (dining hall). Please go to the registration area first before going to your cabin. After check-in you will have time to unpack, greet friends, and walk around the grounds. Supper will be at 5:30pm. After supper, at 6:30, we will meet with Leslie, Northern Pines camp director, to go over important camp information.
