## Campership Request

It is the position of the Camp and Retreat Council that no potential camper be turned away from having an annual camp experience because of a personal lack of funds. We seek to provide campership grants based on individual and family needs. Our expectation is that your local church, personal funds, and conference support will combine to cover the registration costs. Campers with no connection to a local church may contact the camping office for information on support options. Apply online at [www.campminnesota.org/camperships](http://www.campminnesota.org/camperships) or check below. **If you check below, we will send you a campership application that you must fill out and return to the camping office.**
